RESPONSE TO OFFICE ACTION DATED MAY 7, 2004

Dear Sir:

Claims 1-30 and 40-52 are in the case. The Office Action of May 7, 2004, rejects claims 1-30 and 40-52 under similar rationales as set forth in a previous Office Actions dated April 8, 2003 and October 22, 2003. Applicants acknowledge with thanks a telephone conference with Examiner Elahee of August 4, 2004, discussing the above referenced case. As discussed in that telephone conference, Applicants present the following remarks demonstrating that claims 1-30 and 40-52 are patentable and the case is in condition for allowance.
